- Cathy nominated Tony to be Coach Liason Committee Chair and work outside the board meetings to establish scope of practice. Marv seconded, all in favor, motion passed.
- Fabio will continue to schedule the mowing, to be done by Kenny Cram. All the bids from companies were higher than our budget will allow.
- We've been having a lot of problems with restrooms not getting unlocked and vandalism resulting from them not getting locked up. Jak will get more keys and label them with large, laminated instructions and send out an email to all coaches. Jak, Pam, Jennifer and Seth will each take a night to go by check that they're locked. Marv will check everything on Saturdays. Morgan will let the Timberbarons know about locking up and cleaning up the clubhouse after use.

Cathy Reynolds, Treasurer

- Reviewed April financials. Tony made a motion to approve, Marv seconded, all were in favor, motion passed.

- Scholarship policy will be changed. Will require 2 qualifying criteria, 2 hours of volunteer time, and will start registration with 50.
