- No issues with Longview Coaches or Registration
- Kalama Soccer Club requested Player Cards for all of their teams on Sept. 10 (2 days prior to 1<sup>st</sup> game).
- Kelso Soccer Club did not transfer players over in a timely manner, therefore LSC Registrar did transfers for them. However, not in enough time to get jerseys ordered in time. This caused two BU12 teams to be short 4 jerseys each ... not known until 4 days until first game.
- Kami Budge requesting LSC to allow their winter team registration to go through LSC. Jak agreed to work with Kami to provide roster, player cards, etc. if LSC and CYSA allow this request. It was suggested that Kami attend the CYSA Op's meeting on Oct. 7<sup>th</sup> to present request to CYSA. Longview Soccer Club supports this request.

Marv Kasemeier, Concessions

- Soccer Palooza was a success. Having a second line for FREE HOTDOGS was great. Sold approx. 100 hot dogs per hour.
- First game day as also a success.
- Marv requested a list of game schedules for the season, especially for Field #2.

#### Sara Johnson, Marketing and Special Events

- Agreed that Soccer Palooza was a success. It was suggested that next year the “Soak the Coach” should be moved to be closer to water supply as well as not to muddy up the fields. Also suggested for next year was to have 4 (somewhat skilled) face painters available during the entire event. It was assumed that we had about 1,000 participants including kids, parents, etc. Donated drawing items raised about \$183. Event was a big success.
- Beginning discussions for the Christmas Float. Bob offered a vehicle and trailer. Other discussions about building the float and additionally a great way to advertise for Spring Registration.

#### Micro Ref Report

- Email going out to continue to find more micro referees. Bob is setting up a meeting for Thursday, Sept. 17<sup>th</sup>. Tony will be at the fields Saturday morning (9/19) to help coaches and micro ref's.

#### Old Business

- Marv reminded LSC Board to have someone come look at his property to confirm what it would take to offer teams another place to practice. Jeff agreed to meet with him later in the week.
- Graffiti invoice from Kinder Painting was reviewed. They “jumped in immediately” to resolve the issue and LSC is thankful. Invoice approved for payment.
- Sara offered to do Instagram and Twitter as other means of marketing. She would monitor the photos and administer the programs. Parents could submit their own photos. Cathy moved to allow Sara to set up Instagram and Twitter accounts and administer. Jak seconded, motion passed.
